17 April 1957

Dear Dick:

Reference is made to our letter dated 1 April 1957 (14336) regarding the Oblique Position Indicator.

We are in receipt of a letter from Sid regarding their requirement for the above mentioned Indicator. You are hereby authorized to proceed with the furnishing of 6 Oblique Position Indicators for the F.O.G. "B" units at an estimated unit price of \$1250 or a total of \$7500.

This authorization will be covered by a formal Amendment to Schedule II to BC-200 at a later date.

Would you please submit a list of recommended spare parts, if any, to [REDACTED] and WSP0 for support of this Indicator.

Very truly yours,

George
